

NEWCO
Solar Solutions

DID YOU KNOW?

Newco Graphic Films

- Newco offers a variety of graphic film solutions for your office or home.
- Graphic films reject up to 98% of harmful UV rays
- Films come in a range of colours and opacity, you can be assured to be happy with each and any film installed.
- Newco films will help to protect your furniture or give you privacy, as well as being esthetically pleasing.
- Newco's graphic films can be custom ordered in a variety of designs. Custom designs are cut on a plotter to ensure your images are accurate and precise upon installation.

Call Newco today at 604-437-3111 to book your appointment and receive the benefits of Newco's graphic films today!
